

The Servant's Heart

Taking the unconditional love of Jesus to the poorest people of Guatemala, working individually and in the community to help them discover and implement God's unique plan for their lives.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope, and a future." Jeremiah 29:11

A Brief History

The Servant's Heart was founded in 1994 as an urban, developmental, and holistic ministry to serve the poor of Guatemala. It began by visiting the families living in the shanty towns around the garbage dump in Guatemala City. Through developing relationships with these people, many of their needs were seen and met. It is how we began...and it is how we continue today. The Servant's Heart currently has two ministry sites in Guatemala City and Amatitlan.
